

Denied Subsidized or Affordable Housing?

The Housing Appeals Collaborative (HAC) may be able to help!

Who are we? We're teams of non-lawyer student volunteers who have received support from community attorneys affiliated with the organizations below..

What do we do? We evaluate federally-subsidized housing denials throughout Rhode Island and work to ensure that a resident's appeal is more fully heard by local housing developers.

If you have been denied subsidized housing, ask for an appeal right away!

Then, please join us at one of the following outreach locations so HAC can evaluate your case:

From now until December 7, 2018, connect with HAC team members on:
